How to Order

All prices are inclusive of VAT and correct at time of print. Orders can be placed at powervaultza.co.za or via email and WhatsApp. Nationwide delivery in 3–5 business days. Collection from our Midrand warehouse (Mon–Fri, 8:00am–4:30pm). For contractor or volume pricing, contact our sales team.

Hybrid Inverters			25 products
Product	Price (incl. VAT)	Description	
Victron Quattro 10kVA 48V Three-Phase Capable Inverter-Charger	R54,990	The Victron Quattro 10kVA 48V is the premium inverter-charger for demanding off-grid and hybrid commercial installations. Features two AC inputs for generator a	
Growatt 10kW Three-Phase Hybrid Inverter MOD 10000TL3-X	R32,990	The Growatt MOD 10000TL3-X is a 10kW three-phase string inverter with hybrid capability for commercial and industrial solar applications. Features dual MPPT wit	
Deye 12kW Three-Phase Hybrid Inverter SUN-12K-SG01HP3	R38,990	The Deye SUN-12K-SG01HP3 is a 12kW three-phase hybrid inverter built for medium-to-large commercial solar installations. With 18kW PV input capacity, dual MPPT	
Deye 8kW Three-Phase Hybrid Inverter SUN-8K-SG01HP3	R28,990	The Deye SUN-8K-SG01HP3 is an 8kW three-phase hybrid inverter designed for commercial and large residential solar installations on three-phase supply. Features	
Sunsynk 25kW Three-Phase Hybrid Solar Inverter	R94,999	The Sunsynk 25kW Three-Phase Hybrid Inverter is a commercial-grade solar inverter for three-phase 400V premises in South Africa, including industrial facilities	
Victron EasySolar-II 3kVA 48V All-In-One Solar Inverter	R24,999	The Victron EasySolar-II 3kVA is a complete all-in-one solar inverter system combining a 3,000VA/2,400W MultiPlus-II inverter/charger, a 70A MPPT solar charge c	
Sunsynk Loadshedder 4 All-In-One 3.6kW + 3.84kWh LiFePO4	R26,500	The Sunsynk Loadshedder 4 is a compact all-in-one unit combining a 3.6kW hybrid inverter with a built-in 3.84kWh LiFePO4 battery — no separate battery unit need	
SUN Solar 10.2kW Hybrid Inverter S-2500	R13,500	The SUN Solar 10.2kW Hybrid Inverter is the flagship of the SUN Solar range — 10.2kW pure sine wave output, 160A MPPT charger, battery-free operation capability	
SUN Solar 8.2kW Hybrid Inverter S-2582	R11,500	The SUN Solar 8.2kW Hybrid Inverter provides 8.2kW of pure sine wave output with a 160A MPPT charger, wide 90–500VDC PV range, and optional battery operation fo	
SUN Solar 6.2kW Hybrid Inverter S-2542	R9,500	The SUN Solar 6.2kW Hybrid Inverter is a budget-friendly yet capable unit with a built-in 160A MPPT charger, wide PV input range (90–500VDC), and Wi-Fi monitori	
Luxpower 5kVA Hybrid Inverter LXP-5K	R13,500	The Luxpower 5kVA Hybrid Inverter is a compact, high-efficiency unit designed for seamless grid-tied and off-grid operation with MPPT solar charging and full ba	
Kodak 5.6kVA Hybrid Inverter OGS-5.6	R12,500	The Kodak OGS-5.6 5.6kVA Hybrid Inverter is a feature-packed South African favourite, with a built-in 80A MPPT charger, touch-button operation, 4.3″ LCD d	
Growatt 8kW Hybrid Inverter MIN 8000TL-XH	R18,500	The Growatt 8kW Hybrid Inverter delivers 8kW continuous solar power output with dual MPPT, 150A battery charging, and generator support — reliable load-shedding	
Growatt 6kW Hybrid Inverter MIN 6000TL-XH	R14,500	The Growatt 6kW Hybrid Inverter is a versatile and cost-effective solar solution for medium-sized South African homes. Features dual MPPT, generator input, and	
Deye 16kW Hybrid Inverter SUN-16K-SG05LP1	R35,000	The Deye 16kW Single-Phase Hybrid Inverter is built for large residential and commercial solar installations, delivering 16kW continuous output with dual MPPT a	
Deye 10kW Hybrid Inverter SUN-10K-SG05LP1	R24,000	The Deye 10kW Hybrid Inverter supports up to 12kWp of solar input with dual MPPT trackers and 200A battery charging — ideal for large homes and small business a	
Deye 8kW Hybrid Inverter SUN-8K-SG05LP1	R18,500		

Product	Price (incl. VAT)	Description
		The Deye 8kW Hybrid Inverter is a powerful, reliable choice for South African homes with significant energy demands. Features dual MPPT, generator support, and
Sunsynk 16kW Hybrid Inverter SYNK-16K-SG05LP1	R37,500	The Sunsynk 16kW is the most powerful single-phase hybrid inverter in the Sunsynk range — built for large homes, estates, and commercial applications demanding
Sunsynk 12kW Hybrid Inverter SYNK-12K-SG05LP1	R31,500	The Sunsynk 12kW Single-Phase Hybrid Inverter is ideal for larger homes and small businesses with higher energy demands. Supports up to 14.4kWp solar input and
Sunsynk 10kW Hybrid Inverter SYNK-10K-SG05LP1	R25,900	The Sunsynk 10kW Single-Phase Hybrid Inverter delivers reliable off-grid and grid-tied solar power management for medium to large homes. Features dual MPPT, 200
Growatt SPF 5000ES 5kVA Hybrid Inverter	R7,900	The Growatt SPF 5000ES is South Africa's most affordable 5kVA hybrid solar inverter — delivering 4,000W of continuous off-grid power at a price that makes
Victron MultiPlus-II 5kVA Hybrid Inverter/Charger	R19,500	The Victron MultiPlus-II 5kVA (48/5000/70-50) is the premium benchmark for South African off-grid and hybrid solar installations. Trusted by professional electr
Sunsynk 8kW Hybrid Inverter SYNK-8K-SG05LP1	R22,000	The Sunsynk 8kW Hybrid Inverter is the go-to choice for 4–5 bedroom homes, small businesses, and high-load properties running geyser, pool pump, and air conditi
Sunsynk 5kW Hybrid Inverter SUN-5K-SG05LP1	R17,500	The Sunsynk 5kW Hybrid Inverter is one of South Africa's most trusted load-shedding solutions — a 5,500W single-phase unit with dual MPPT, 6,500W PV input
Deye 5kW Hybrid Inverter SUN-5K-SG04LP1	R16,500	The Deye 5kW Hybrid Inverter (SUN-5K-SG04LP1) is South Africa's best-selling single-phase hybrid inverter — delivering 97.6% peak efficiency with 6,500W P

Three-Phase Inverters

4 products

Product	Price (incl. VAT)	Description
Victron Quattro 10kVA 48V Three-Phase Capable Inverter-Charger	R54,990	The Victron Quattro 10kVA 48V is the premium inverter-charger for demanding off-grid and hybrid commercial installations. Features two AC inputs for generator a
Growatt 10kW Three-Phase Hybrid Inverter MOD 10000TL3-X	R32,990	The Growatt MOD 10000TL3-X is a 10kW three-phase string inverter with hybrid capability for commercial and industrial solar applications. Features dual MPPT wit
Deye 12kW Three-Phase Hybrid Inverter SUN-12K-SG01HP3	R38,990	The Deye SUN-12K-SG01HP3 is a 12kW three-phase hybrid inverter built for medium-to-large commercial solar installations. With 18kW PV input capacity, dual MPPT
Deye 8kW Three-Phase Hybrid Inverter SUN-8K-SG01HP3	R28,990	The Deye SUN-8K-SG01HP3 is an 8kW three-phase hybrid inverter designed for commercial and large residential solar installations on three-phase supply. Features

Lithium Batteries

15 products

Product	Price (incl. VAT)	Description
Freedom Won Lite Business 40/32 HV LiFePO4 Battery	R89,999	The Freedom Won Lite Business 40/32 HV is a high-voltage LiFePO4 lithium battery system with 40kWh gross capacity and 32kWh usable energy, designed for medium c
Pylontech Fidus Plus 16kWh 48V LiFePO4 Lithium Battery	R32,999	The Pylontech Fidus Plus is a wall-mounted 16kWh 48V LiFePO4 lithium iron phosphate battery designed for residential solar backup systems in South Africa. With
SVOLT 9.6kWh 48V 200Ah Wall Mount LiFePO4 Battery	R24,000	The SVOLT 9.6kWh 48V 200Ah wall-mount LiFePO4 battery brings automotive-grade cell technology to residential solar storage, offering exceptional cycle life, hig
Felicity Solar 10kWh 48V LiFePO4 Battery with LCD Display	R22,000	The Felicity Solar 10kWh 48V LiFePO4 battery packs a full 10kWh of usable storage into a single wall-mounted unit with a built-in LCD display for real-time stat
Pylontech UP5000 4.56kWh 48V LiFePO4 Battery	R16,000	The Pylontech UP5000 delivers 4.56kWh of premium 48V LiFePO4 storage in a single rack-mount module — double the capacity of the US2000C with improved power outp
Pylontech US2000C 2.4kWh 48V LiFePO4 Battery	R6,500	The Pylontech US2000C is a globally proven 2.4kWh 48V LiFePO4 battery module from one of the world’s leading battery manufacturers. Rack-mountable and ful
BSL 7kWh 51.2V 135Ah CANBUS LiFePO4 Battery	R15,500	The BSL 7kWh 51.2V 135Ah CANBUS LiFePO4 battery offers high-capacity energy storage with premium CANBUS communication for seamless inverter integration across a
Hubble AM-2 5.5kWh LiFePO4 Lithium Battery	R14,000	The Hubble AM-2 delivers 5.5kWh of locally supported LiFePO4 energy storage with a 10-year warranty, deep cycle capability, and plug-and-play compatibility with
Dyness PowerBrick 14.3kWh LiFePO4 Lithium Battery	R29,800	The Dyness PowerBrick 14.3kWh is a premium high-capacity wall-mounted LiFePO4 battery for large homes and off-grid systems requiring extended backup power and h
Dyness Powerbox Pro 10.24kWh LiFePO4 Battery	R18,500	The Dyness Powerbox Pro delivers 10.24kWh of LiFePO4 energy storage in a sleek, stackable cabinet design — ideal for larger homes needing extended overnight bac
Dyness 5.12kWh LiFePO4 Lithium Battery B51100	R9,000	The Dyness B51100 is a 5.12kWh 51.2V LiFePO4 wall-mount battery built for South African hybrid solar systems. Rack-mountable design with CAN/RS485 communication
BSL Battery 5.12kWh LiFePO4 48V Lithium Battery	R17,500	The BSL 5.12kWh LiFePO4 Battery delivers premium-grade LiFePO4 storage at a mid-range price point — making it one of South Africa’s best value-for-money s
Freedom Won eTower 5kWh LiFePO4 Battery 52V	R22,000	The Freedom Won eTower 5kWh is Africa’s most locally-supported lithium battery — designed, warranted, and serviced entirely in South Africa by Freedom Won
Pylontech US3000C 3.5kWh Lithium Battery 48V	R12,500	The Pylontech US3000C is the world’s most widely deployed residential lithium solar battery — trusted in over 2 million installations globally and one of
Hubble AM-5 5.12kWh LiFePO4 Lithium Battery	R24,000	The Hubble AM-5 is South Africa’s most advanced home lithium battery — a 51.2V, 5.12kWh LiFePO4 unit built with prismatic cells for superior cycle life an

Solar Panels			11 products
Product	Price (incl. VAT)	Description	
Jinko Solar 585W N-Type Bifacial TOPCon Solar Panel	R3,499	The Jinko Solar 585W N-Type bifacial TOPCon solar panel delivers industry-leading efficiency for residential and commercial solar installations in South Africa.	
HZ Solar 540W Mono PERC Half-Cut Solar Panel	R2,800	The HZ Solar 540W Mono PERC half-cut panel is a reliable, budget-conscious option for South African solar installations — offering solid 540W output with half-c	
TW Solar 550W Bifacial Mono PERC Half-Cut Solar Panel	R3,100	The TW Solar 550W bifacial mono PERC half-cut panel delivers high-output energy generation at a competitive price point — with bifacial cell technology for rear	
Trina Solar 545W Vertex S Mono PERC Solar Panel TSM-545DE09.08	R3,000	The Trina Solar 545W Vertex S Mono PERC panel is a high-efficiency mid-size module from a tier-1 manufacturer — delivering consistent 545W output with multi-bus	
Canadian Solar 615W HiKu7 Bifacial Mono PERC Panel CS7N-615MS	R4,000	The Canadian Solar 615W HiKu7 bifacial mono PERC panel is a large-format, high-power module for maximum generation per system. 615W front-side output plus bifac	
Canadian Solar 550W HiKu6 Mono PERC Solar Panel CS6W-550MS	R3,200	The Canadian Solar 550W HiKu6 is a proven, high-efficiency mono PERC panel from the world’s second-largest solar manufacturer — delivering reliable 550W o	
JA Solar 615W Bifacial Glass-Glass Solar Panel JAM72D40-615/GB	R4,100	The JA Solar 615W glass-glass bifacial panel offers maximum durability and energy yield for demanding SA conditions — the dual-glass construction eliminates PID	
JA Solar 610W Bifacial PERC Solar Panel JAM72D30-610/MB	R3,800	The JA Solar 610W bifacial PERC panel is a tier-1 high-output module delivering up to 610W front-side power plus additional rear-side energy gain — ideal for la	
Canadian Solar HiKu6 455W Mono PERC Solar Panel CS6L-455MS	R1,800	The Canadian Solar HiKu6 455W Mono PERC panel offers Tier-1 Canadian Solar quality at one of the lowest price-per-watt ratios in the South African market. 144 h	
LONGi Hi-MO 5 540W Bifacial Monocrystalline Solar Panel LR5-72HBD	R2,400	The LONGi Hi-MO 5 540W Bifacial Solar Panel captures sunlight on both sides — boosting real-world energy yield by 8–25% compared to monofacial panels on light-c	
JA Solar 550W Half-Cell Monocrystalline Solar Panel JAM72S30	R2,100	The JA Solar JAM72S30-550W is one of South Africa’s most popular monocrystalline solar panels — a 144-cell half-cut module delivering 550Wp peak output wi	

Complete Kits & Bundles

Product	Price (incl. VAT)	Description
Off-Grid Farm Kit — Kodak 8kW + 2x BSL 7kWh + 16x Canadian Solar 550W	R129,900	A robust off-grid capable solar system for farms, smallholdings, and rural properties without reliable Eskom supply. Kodak 8kW inverter, 14kWh BSL battery bank,
Loadshedding Backup Kit — Growatt 5kW + Pylontech 2 x US2000C + 4x JA 410W	R44,900	A cost-effective loadshedding backup kit focused on keeping your lights on and devices charged during outages. Growatt 5kW hybrid inverter paired with 2 x Pylon
Premium 10kW Solar Kit — Sunsynk 10kW + Dyness 14.3kWh + 14x JA 550W Panels	R149,900	The Premium 10kW Kit is PowerVault ZA's flagship complete solar system — pairing a Sunsynk 10kW inverter with 14.3kWh of Dyness storage and 14 x JA Solar
Mid-Range 8kW Solar Kit — Deye 8kW + Dyness 10.24kWh + 10x JA 550W Panels	R99,900	The Mid-Range 8kW Kit is designed for medium to large South African homes wanting full household coverage through loadshedding and significant solar self-consum
Essential 5kW Solar Kit — Sunsynk 5kW + Dyness 5.12kWh + 6x JA 410W Panels	R59,900	An entry-level complete solar system for the average South African home. This Essential Kit bundles a Sunsynk 5kW hybrid inverter, one Dyness 5.12kWh LiFePO4 ba
3kW Essential Backup Kit — Growatt + Pylontech + 4 Panels	R36,000	The 3kW Essential Backup Kit is PowerVault's most affordable complete solar system — delivering genuine load-shedding protection without a five-figure pri
8kW Solar Power Kit — Sunsynk 8kW + 2x Hubble AM-5 + 8 Panels	R84,000	The 8kW Solar Power Kit is PowerVault's flagship residential system — built for large homes and small businesses that refuse to compromise on load sheddin
5kW Solar Load-Shedding Starter Kit — Deye + Hubble AM-5 + 6 Panels	R51,000	Everything you need to survive South Africa's load shedding — in one complete, pre-matched solar kit. The 5kW Solar Starter Kit includes a Deye 5kW Hybrid

Product	Price (incl. VAT)	Description
5kVA Dual-Fuel Generator (Petrol or LPG)	R24,990	The 5kVA dual-fuel generator gives you 4kW of usable power on petrol or approximately 3.4kW on LPG, with the ability to switch fuels at any time. At 5kVA, you c
3.5kVA Dual-Fuel Generator (Petrol or LPG)	R15,990	A 3.5kVA dual-fuel generator gives you the flexibility to switch between petrol and LPG (gas) with a simple valve adjustment. When petrol stations have queues d
Honda EU30is 3kVA Inverter Generator	R42,500	The Honda EU30is is widely regarded as the world's best inverter generator in its class. Honda's Eco-Throttle system automatically adjusts engine sp
3.5kVA Inverter Generator — Pure Sine Wave	R22,990	A 3.5kVA inverter generator delivers approximately 2.8kW of clean pure sine wave power — enough to run all household essentials simultaneously during load shedd
2kVA Inverter Generator — Pure Sine Wave	R10,990	A 2kVA inverter generator produces clean pure sine wave power that is safe for laptops, smart TVs, routers, CPAP machines, and any other sensitive electronics.
12kVA Diesel Generator	R64,990	The 12kVA diesel generator (approximately 9.6kW usable) is an industrial-grade backup power system suited to larger commercial properties, medical facilities, s
8kVA Diesel Generator	R41,990	The 8kVA diesel generator delivers approximately 6.4kW of continuous usable power — the standard choice for South African small businesses, farms, and commercia
5kVA Diesel Generator	R26,990	The 5kVA diesel generator delivers approximately 4kW of usable power with the fuel efficiency and longevity advantages of a diesel engine. It is the entry-level
7kVA Petrol Generator	R22,990	A 7kVA petrol generator (approximately 5.6kW usable) is the most powerful petrol option typically suited to residential use, providing enough capacity to power
5kVA Petrol Generator	R15,990	A 5kVA petrol generator delivers approximately 4kW of usable power — enough to run a household's essential appliances simultaneously during load shedding,
2kVA Petrol Generator	R6,990	A 2kVA petrol generator is the most compact and affordable backup power solution for South African households during load shedding. It delivers approximately 1.

Anker SOLIX F2000 Portable Power Station 2048Wh	R22,990	The Anker SOLIX F2000 (formerly PowerHouse 767) delivers massive 2,048Wh LFP capacity with 2,400W AC output — enough to power a full household through extended
Jackery Explorer 1000 Pro Portable Power Station 1002Wh	R13,990	The Jackery Explorer 1000 Pro packs 1,002Wh of LFP power with 1,000W AC output in a rugged, travel-ready design. Charges from 0–80% in just 1 hour via dual AC c
EcoFlow DELTA 2 Portable Power Station 1024Wh	R12,990	The EcoFlow DELTA 2 delivers 1,024Wh of LiFePO4 power with 1,800W AC output — enough to run a full-size fridge, power tools, or multiple appliances simultaneous
EcoFlow RIVER 2 Pro Portable Power Station 768Wh	R8,990	The EcoFlow RIVER 2 Pro is a compact 768Wh portable power station delivering 800W AC output — expandable to 1,600W with X-Boost technology. Ideal for load shedd
Bluetti AC300 + B300 3kWh Modular Portable Power Station	R28,000	The Bluetti AC300 + B300 is a next-generation modular power system — a 3,000W inverter base unit that works with the B300 3kWh LiFePO4 battery module to deliver
EcoFlow DELTA Pro 3.6kWh Portable Power Station	R29,000	The EcoFlow DELTA Pro is the world's most advanced portable power station — a 3,600Wh (3.6kWh) LiFePO4 unit with a 3,600W pure sine wave inverter that pow

Product	Price (incl. VAT)	Description
20kVA Online Double Conversion UPS — Industrial Grade	R52,990	20kVA / 18kW industrial-grade online double conversion UPS for large data centres, hospitals, manufacturing facilities, and multi-server enterprise environments
10kVA Online Double Conversion UPS — Commercial Grade	R28,990	10kVA / 9kW online double conversion UPS for server rooms, data centres, medical facilities, and large office infrastructure. Zero transfer time, pure sine wave
6kVA Online Double Conversion UPS — Rack or Tower	R14,990	6kVA / 5.4kW online double conversion UPS for servers, networking equipment, medical devices, and critical business loads. True online topology provides zero tr
Mecer ME-1000-VU 1000VA/600W Line-Interactive UPS	R1,999	Mecer ME-1000-VU 1000VA/600W line-interactive UPS for home and small office use. Provides backup power during load shedding for computers, routers, NAS devices,
APC Smart-UPS 3000VA 2700W Online Double-Conversion UPS	R14,500	The APC Smart-UPS 3000VA (SMT3000I) is the gold standard for South African server room and critical infrastructure protection — an online double-conversion UPS
Mecer 3kVA 2400W Line-Interactive UPS with 4x 9Ah Batteries	R5,200	The Mecer 3kVA (2,400W) Line-Interactive UPS is South Africa's most popular office and home office UPS — providing instant power protection for computers,

Product	Price (incl. VAT)	Description
2.2kW Solar Borehole Pump System — 4-Inch Submersible	R26,990	Industrial-grade 2.2kW solar borehole pump system for 4-inch boreholes reaching up to 200m depth with flow rates of 6–8m³/hour. The highest capacity solar boreh
1.5kW Solar Borehole Pump System — 4-Inch Submersible	R19,990	High-capacity 1.5kW solar borehole pump system for 4-inch boreholes requiring deeper reach and higher flow. Pumps from depths up to 150m at flow rates of 4–6m³/
0.75kW Solar Borehole Pump System — 4-Inch Submersible	R13,990	Mid-range 0.75kW solar borehole pump system for 4-inch boreholes with pumping capacity to 100m depth and flow rates of 2–4m³/hour. Suits medium-sized farms, sma
0.37kW Solar Borehole Pump System — 4-Inch Submersible	R8,990	Entry-level 0.37kW solar borehole pump system for 4-inch boreholes, capable of pumping water from depths up to 60m at flows of 1–2m³/hour. Complete package incl

Product	Price (incl. VAT)	Description	
Sunsynk Klik Dongle Wi-Fi Solar Monitoring Device	R899	The Sunsynk Klik Dongle is the official Wi-Fi monitoring device for Sunsynk hybrid inverters, enabling real-time solar monitoring, remote configuration, and fir	
Huawei SDongleA-05 Smart Dongle 4G Solar Monitoring	R999	The Huawei SDongleA-05 is a 4G LTE Smart Dongle for Huawei SUN2000 hybrid and grid-tied inverters, enabling solar system monitoring and remote management via th	
6mm2 Solar PV DC Cable — 50m Roll Pair (Red + Black)	R2,799	This 6mm2 solar PV DC cable pair provides 50 metres each of red (positive) and black (negative) TUV-certified solar cable for photovoltaic DC wiring between sol	
Hager 63A 2-Pole 30mA Earth Leakage Circuit Breaker (RCCB/ELB)	R799	The Hager 63A 2-Pole 30mA RCCB (Residual Current Circuit Breaker) is a Type A earth leakage protection device for use in South African residential and commercia	
Aluminium Solar Panel Roof Mounting Kit — 4 Panel Portrait	R2,499	This aluminium solar panel roof mounting kit provides everything needed to mount four solar panels in portrait orientation on a pitched tiled or IBR corrugated	
Teltonika TeltoCharge 7.4kW Single Phase Home EV Charger	R9,999	The Teltonika TeltoCharge is a 7.4kW single-phase Type 2 home EV charger designed for residential and light commercial electric vehicle charging in South Africa	
Victron SmartSolar MPPT 100/15 Solar Charge Controller	R1,499	The Victron SmartSolar MPPT 100/15 is a compact, high-efficiency solar charge controller for small 12V and 24V battery systems. With a 100V maximum PV open-circ	
Victron SmartSolar MPPT 150/45 Solar Charge Controller	R4,199	The Victron SmartSolar MPPT 150/45 is a professional-grade solar charge controller for 12V, 24V, and 48V battery systems. With a 150V maximum PV open-circuit vo	
Chint DDSU666 Single Phase Bidirectional Smart Energy Meter	R1,299	The Chint DDSU666 is South Africa's most widely installed single-phase bidirectional smart energy meter for grid-tied and hybrid solar systems. MID certif	
DC Surge Protection Device 1000V 2P 40kA (SPD)	R549	DC surge protection device for solar PV systems. 2-pole 1000V DC rated, 20kA nominal / 40kA maximum discharge capacity. Protects inverters and batteries from li	
IP65 Weatherproof Solar Junction Box	R185	IP65-rated weatherproof junction box for solar PV wiring. Suitable for outdoor cable termination points, string connections, and protecting electrical joints fr	
DC Solar Isolator Switch 50A 1000VDC	R549	50A 1000VDC rotary isolator switch for solar PV systems. Allows safe disconnection of the solar array from the inverter for maintenance or emergency shutdown. D	
6mm Solar PV DC Cable - Black (per metre)	R25	SOLARFLEX-rated 6mm solar DC cable in black for negative wiring runs. Priced per metre — add the number of metres required to your cart. Single-core, UV-resista	
6mm Solar PV DC Cable - Red (per metre)	R25	SOLARFLEX-rated 6mm solar DC cable in red for positive wiring runs. Priced per metre — add the number of metres required to your cart. Single-core, UV-resistant	
MC4 Solar Connector Pair - Male & Female 4-6mm	R39	Genuine MC4 solar connector pair (male and female) for 4-6mm solar cable. IP67-rated for outdoor weatherproof use. Rated for 1000V DC and 30A continuous current
